

Important Announcement: Chromebook & Student Textbook/Material Deployment

Dear Gorilla Students & Parents/Guardians,

We are planning on staggering our chromebook and textbook/material deployment starting tomorrow morning. **Note:** students are not allowed in the buildings, and we are only giving out essential academic enrichment items at this time. Other items will be deployed or scheduled for pick up at a later date. This has been a logistical challenge and we appreciate your patience and understanding. We are doing the best we can to get our students what they need.

Students: please bring a backpack or bag to carry your chromebook and materials.

In person pick-up starting tomorrow morning @ 9:00 am.

9:00 - 11:00 am: **In town students** and parents/guardians will be allowed to pick-up their chromebooks and essential textbooks/materials.

11:00 - 1:00 pm: **Out of town students** and parents/guardians will be allowed to pick-up their chromebooks and essential textbooks/materials.

On Friday, our tentative plan is to take remaining chromebooks and materials and start disseminating them by bus route in order to send out for delivery. We will see what we have left on Monday and either set up a drop off or pick up time for our remaining students.

We will set up **tables outside by grade level** in order to keep students from coming into the building. We will be following good “social distancing” practices during our chromebook and material deployment. Please be patient as we work through this process.

Pick-Up Locations:

Preschool - 5th: Tables will be set up outside in front of the elementary school.

6th, 7th, & 8th: Tables will be set up by the east wing of the middle school.

Freshmen / Sophomores: Tables will be set up in the horseshoe by the high school gym.

Juniors / Seniors: Tables will be set in the bus lane in front of the school by the tennis courts.

Meal Service:
