

## **Parent/Community Communication:**

Happy First Day of Spring Gorilla Families!

### **WOW! Chromebook & Enrichment Deployment was a huge SUCCESS! Thank you.**

We hope that the sunshine is finding you well, and that you are doing ok through these unprecedented times. The Davenport School District is committed to working with you and helping in any way possible. The uncertainty of our times is definitely being felt by many right now. Please reach out with any needs you have, and we will do all we can to help. We miss our students and their families each day, and are hoping that you are finding fun activities to do as a family at home.

We plan to update you regularly to let you know the steps taken so far and future plans as we work through these uncharted times.

### **Updates:**

#### **Meal Service: 3/18/2020**

Our meal service is on day two, and there is still time to sign-up. 532 meals were served today! Please call the district office at 509-725-1481 to get your child's name on the list. Meals are available for any child ages 1-18 free of charge.

#### **Deployment of Chromebooks & Enrichment Materials: 3/19/2020**

Staff members spent the day today outside of the schools passing out chromebooks and enrichment materials. Thank you for your patience in this process. We really appreciate you taking the time today to come and pick up these essential learning materials. If you did not make it in to get materials, we will be working on a plan to send them on bus routes or arranging a time for pick-up. If you have questions, please call the district office at (509) 725-1481.

### **Next Steps:**

#### **Communication Plans:**

Student email will be opened up so that teachers and students can communicate via email. The goal is to connect with everyone of our students next week. More information on this and how to log-in will be provided soon. We are also working to see who needs help with internet access. Again, contact the district office if you need assistance or have any questions.

#### **Class of 2020 (Seniors):**

You remain a #1 priority! We are continuing to get guidance from the Office of the Superintendent of Public Instruction and the State Board of Education. We want to make sure you are set up to graduate on-time so that you can move onto your next adventure. Please communicate via email and google classroom with your teachers, **we want to hear from you!** Additionally, scholarship information and deadlines can be found in your personal finance google classroom. Also, do not hesitate to reach out to Mrs. Parsons, she already misses you! :) Mrs. Hawley will be sending you a more detailed letter very soon. Stay tuned!

### **Technology Needs:**

If you are having any issues with your recently acquired chromebook please email Jamie Manchester [jmanchester@davenportsd.org](mailto:jmanchester@davenportsd.org) or Noelle Carstens [ncarstens@davenportsd.org](mailto:ncarstens@davenportsd.org). We will try and help you through any issues or technical difficulties that you might be experiencing. Many elementary students may need help logging in. They should have a Clever Badge in their materials, and an older sibling may be able to help. We are here to help too!

**Academic Enrichment & Grading:**

Currently our teachers will be providing academic enrichment opportunities for their students through email, google classroom, or by packets. At this time we just ask to do your best on the activities that have been provided and to make contact with your teacher. We will continue to provide updates over the coming days and weeks regarding academic credit and grading. Also, please don't stress about trying to do schoolwork for seven hours a day! Do what you can with your children, and have some fun together too!

We really appreciate your support as we continue to work through all of these logistical challenges! Please contact the district office if you have any questions at 509-725-1481.
