

DSD After-School Internet Cafe'

Dear Students, Parents, and Guardians,

We are excited to share that we will be starting our After-School Internet Cafe' beginning **Tuesday, September 29th!** Due to social distancing constraints we will be offering two sessions each day **Monday-Thursday:**

- **First Session:** 12:00 - 1:30 pm
- **Second Session:** 1:30 - 3:00 pm

To get started we are encouraging students to make appointments with our after-school internet cafe' team, classroom teacher, or building administrator. The best way to set up an appointment is by email. Staff emails can be found below by building. Our classrooms have limited capacity due to social distancing requirements so please let us know when you are coming! Your child does not have to stay the full hour and a half, if they complete their work quicker, but are welcome to stay and work for that entire session as needed!

Question: What is an after-school internet cafe'?

Answer: After-school internet cafe' is a place for students to come to when they are in need of any extra time or assistance on school work with the support of an adult. There is no cost to attending the after-school internet cafe', as this is for academic support ONLY! If your child is feeling frustrated, behind, or just needs to connect we encourage you to make an appointment. You will need to arrange your own transportation for your child to and from the after-school internet cafe'. We have had after-school support for many years and it is one of the reasons we have been so successful. Additionally, maybe your child just needs access to quality internet, this would be where our buildings are just utilized to access school work in order to stay caught up.

High School:

- Open to students grades 9-12
- Locations: HS Library & Ms. Johnston's Classroom
- To schedule an appointment email:
 - Carmelyn Choate: cchoate@davenportsd.org
